

Pre conference Workshops W5 : NeoSim – Neonatal Emergencies by Simulation

W5

Date: 11TH December 2025

Time: 09:00 AM - 05:00 PM

Venue: Rainbow, VIZAG

National Coordinator
Vijayanand Jamalpuri
Mob:9866157271

Local coordinator
Dr Phani Priya
Mob: 9968746024

1770/-
Including GST

Registration Fee

About the Workshop

NeoSim is a one day simulation workshop where delegates participate in simulated real life neonatal emergencies and learn about performing optimally in stressful circumstances. It not only focuses on medical knowledge and skills, but also on human factors during the emergencies.

Dr. V.C Manoj
President-2025

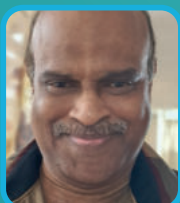

Dr. Lalan K Bharti
Chairperson Scientific Committee
(President Elect-2025)

Dr. V.V.G. Mohan
Organizing Chairman

Dr. K. Seshagiri
Organizing Secretary

Dr. S. Ramprasad
Organizing Secretary

Dr. J. Muni Sekhar
Treasurer

Dr. P. Sateesh Kumar
Joint Org. Secretary

Highlights Of the Workshop

- ✓ Real life neonatal emergency scenarios
- ✓ Open and safe learning environment
- ✓ Systematic approach to neonatal emergencies
- ✓ Team training

Who Can Attend

Trainees in Pediatrics,
Neonatology, Pediatric
Critical Care and Pediatric
Emergency Medicine,
Pediatricians, Neonatologists
Pediatric Intensivists,
Pediatric and Neonatal Nurses

Faculty

Dr. Shilpa Kalane

Dr. Tejas Hambir

Dr. Vamsi Sivarama Raju

Dr. Devdeep Mukherjee

Dr. Nandini Malshe

Dr. Kiran Vemireddy

Dr. Pradeep Reddy

Dr. Kireeti Jarjapu

Simulated Scenarios include

- ✓ Neonatal Resuscitation
- ✓ Golden Hour Management in Preterm Infants
- ✓ Neonatal Seizures
- ✓ Septic Shock
- ✓ Acute Surgical Abdomen
- ✓ Challenging communication
- ✓ Critical Congenital Heart Disease
- ✓ Acute Deterioration of The Baby on Ventilator
- ✓ Supraventricular Tachycardia (SVT)
